LOCAL PUPILS SHINE IN COLOURING COMPETITION

THREE Southampton pupils have each won £25 for their schools to spend on environmental projects in a colouring competition run by Balfour Beatty Infrastructure Services.

Becky Mundy, 4, of Valentine's Infants School, Sholing, and Sam Mundy, 8, of Heathfield Junior School, were winners along with Curdridge Primary School pupil Bradley Adams, who's 7.

Balfour Beatty Infrastructure Services manages and maintains Hampshire's 5,000 miles of county roads, and children were invited to colour in highways-related pictures as part of the company's presence at this summer's Hampshire and New Forest County Show.

Contract Director Dave Trowell said: "We thoroughly enjoyed being at the show as part of our commitment to the community in which we work. Our congratulations go to all three young winners in the competition."
